PROGRAM OUTCOMES (If doing YMCA activities)

YMCA Camping integrates into every camp experience opportunities for all people to grow in **body, mind** and **spirit**.

BODY (select one)

LEARNING EXPERIENCE

Coordination & Confidence
Work as a Team
Make Healthy Choices
Develop and Grow in the Outdoors

DESCRIPTION

Campers develop coordination and confidence through physical challenge.
Campers work collaboratively with their peers using effective communication skills and developing trust between group members.
Campers understand how healthy choices contribute to their own physical, mental and emotional wellbeing.
Campers experience new adventure activities and develop skills to encourage lifelong physical activity and an appreciation of the natural environment.

MIND (select one)

LEARNING EXPERIENCE

Build Resilience
Provide Opportunities for Leadership
Solve Problems Together
Set Goals

DESCRIPTION

Campers develop and demonstrate coping strategies to adapt to individual and group challenges.
Campers experience opportunities to influence and encourage positive group behaviour, lead by example.
Campers respect each other's viewpoints and work together to achieve outcomes.
Campers learn to set personal and group goals, persist and strive to achieve them.

SPIRIT (select one)

LEARNING EXPERIENCE

Develop Independence
Connect with Others
Be Socially Responsible
Reinforce a Positive Outlook

DESCRIPTION

Campers take responsibility for their own actions and wellbeing and display initiative to effectively solve problems.
Campers develop positive relationships with others, form new friendships and strengthen existing ones.
Campers are inclusive and respectful of others, embrace diversity and protect and further enhance the natural environment through their actions.
Campers are happy in the present moment and have a sense of wonder for the natural world, optimism for the future and interact positively with each other and nature.
